Golden State SBDC Program

August 31, 2004

Office of the Governor Constituent Affairs State Capitol Sacramento, CA 95814 Attn: CPR Commission

To Whom It May Concern:

Thank you for acknowledging the work of the California Community College Economic and Workforce Development Program. (Chapter 3 of the California Performance Review," Education, Training and Volunteerism," Section 26 - Expand Training Partnerships with Private Industry.) In order to continue to be effective, we must maintain the support of the Governor and legislature to be a stable program, funded appropriately. We are prepared to continue to assist in California's economic recovery. We are the ready, proven delivery system in the State.

Sincerely,

Janice Rhodd Regional Director
